   01 Request / Presentation

In compliance with the provisions of Decree 2555 of 2010 and in response to the request made today by the Financial Superintendence of Colombia, in relation to the information published by the online edition of the Dinero Magazine on March 5, 2015, where a possible acquisition by Exito is informed; in my capacity as Legal Representative I would like to inform that:

Even though the Company is constantly seeking new expansion options, both nationally and internationally, we have not entered into any agreement as published by the publication. The only acquisition agreement signed recently was informed by relevant information today, since it was approved by the Board of Directors. If in the future we manage to sign an agreement with the characteristics described by that magazine, we will promptly inform using the relevant information tool.

Sincerely,

FILIPPE DASILVA

Legal Representative
